An entry from the journal of J. A. Chapel. F. Wallis Armstrong, Class of 1931, Collection, Rare Books and Special Collections. Gift of Mrs. Armstrong.

journal of that voyage and of two others were given to the Library by the widow of F. Wallis Armstrong, Class of 1931. Perhaps Chapel himself drew the whaling ship that appears on the flyleaf of his journal and on the cover of this issue of the *Chronicle*. Without doubt, he created the entries marked with the ships, whales, and porpoises sighted each day that have been used as illustrations here and in Professor Göske's article.
